innovative  
medium-sized  
businesses

LANG LASER-System GmbH

# TOP INNOVATOR 2015

A project coordinated by the Institute for Entrepreneurship and Innovation at the Vienna University of Economics and Business Administration was launched to find Germany's most innovative small and medium-sized enterprises. As a result of this survey, the quality of the innovation management practised by the above mentioned enterprise was rated 'outstanding'. This company is therefore one of the most innovative small and medium-sized enterprises in Germany.
